Witness live mushing demonstrations while enjoying some terrific chili and hot dogs and you can even try your dog on one of our sled demo teams (see one of our mushers at the event). We will also have several vendors and rescued huskies for you to meet and greet as well as information on adoptions, volunteering, and how to help the rescue. Pre-registration isn't required to attend the event but we do ask for it if you plan on attending so we have enough chili and food for everyone. For more information, registration, and directions, go to our website at www.huskyrescue.org, email us at sleddemo@huskyrescue.org, or call 815-566-5893.
